

SOUTHERN CITIES CONSTRUCTION

INVESTOR PRODUCT CATALOGUE · Licensed NC GC #107724

One path, four stages — every fee credits forward. A deal climbs from "is this worth doing?" to "it's built." Add an **SC Realty CMA** (\$99 members / \$149 non-members) to any budget product, standalone, or inside Deal Desk.

SOUTHERN CITIES CONSTRUCTION

THE DETAIL — every product & exactly what you get

1 KNOW YOUR NUMBER

Should I do this deal — and what do I offer?

Budget Snapshot

Free

Instant · automated · branded PDF emailed

- Preliminary budget range, timeline range, confidence level, risk flags
- Likely project category (cosmetic → full gut / structural)

Deal Desk (membership)

\$79 / \$199 / \$399 mo

+ \$99 one-time setup · recurring

- GC-verified rehab + **Max Allowable Offer** on every deal (5 / 15 / unlimited snapshots/mo)
 - Active+ adds a 2nd independent valuation; Pro adds priority + 1 SC Realty CMA credit/mo
- CMA suggested here.*

SC Realty CMA

\$99 members / \$149 non-members

Licensed-broker opinion of value (not an appraisal)

- Comparative market analysis / ARV — the value side of your deal math
- Add to any budget product, buy standalone, or 1/mo free on Deal Desk Pro

2 LOCK THE PLAN

Exactly what gets built, and for how much.

Deal Pack — Bid-Ready

\$599 / deal

2–3 business days · branded #107724 PDF

- GC-certified 3-tier budget range
 - Dollarized line-item scope of work
 - Top execution risks with cost-to-cure
 - Loan-killer flags
- Suggest a CMA. No plans? Add Site Scan.*

Deal Pack — Build-Ready

\$1,997 / deal

3–4 business days · shovel-ready package

- Everything in Bid-Ready + the GC's **written commitment to build at that price**
 - Future-state floor plans + 2–3 renderings · room-by-room scope
 - **Materials / quantity takeoff · mood board · targeted materials vendors & suppliers**
 - 3 sub quotes/trade · lender draw schedule · open-permit + lien sweep · permit path · finance-partner referral · license-stamped covers
- Suggest a CMA. Add Site Scan if no existing plans.*

Budget & Scope Review

\$399

2 business days · you bring the budget, we pressure-test it

- Line-by-line review, scope-gap analysis, market-rate corrections, contingency/reserve recommendation, bid-grade summary number
- Also useful pre-offer to validate seller or contractor numbers.*

As-Built Plans

\$349

Measured existing-condition floor plan · 1 revision

- PDF + editable file

Future-State Plans

\$699

Proposed design floor plan · 2 revisions

- PDF + editable file

Renderings (photoreal)

\$199 ea / 3 for \$499

1 revision each · extra revision \$99

- Photoreal 3D of the proposed design

Site Scan + As-Built + Inspection

\$699

Field visit · 5 business days

- NC field agent + full 3D property scan
- Designer-built as-built floorplan (PDF + native file)
- **Licensed third-party inspector service** included

3

SET IT UP

Get it ready to build.

Execution Consultation

\$99

Credits toward your project · scoping call

- Paid consult that maps the right execution path. Every execution engagement starts here.

Project Setup & Pre-Construction Management

\$3,500 / mo

Min: <\$40k = 1 mo · \$40–65k = 2 mo · >\$65k = 3 mo

- Project timeline · cash-expenditure projections + plan · draw-schedule alignment
- Contractor + subcontractor bench · permit & inspection admin
- **Contractor Fit + Match Bundle included** · best vendor options for materials

Gets the project ready & launched, then rolls into Active Oversight for the build.

Contractor Fit Consultation

\$349

Scheduled consultation

- The contractor **types** the project requires · recommended mix + wrong-fit to avoid
- **Outlined next steps** · contractor plug-ins tailored to your terms & needs

Contractor Match & Bid Coordination

\$1,499

7–10 business days

- Source 3–5 vetted candidates/trade · structured bid intake · leveled comparison · risk/gap callouts · written award recommendation

Contractor Fit + Match Bundle

\$1,899

Bundle

- Contractor Fit Consultation
- Contractor Match & Bid Coordination
- **Permit & Local Compliance Review**

Permit & Local Compliance Review

\$399

2 business days · standalone

- Permit-path review · local compliance notes · risk callouts · recommended next step

Permit Admin

\$1,499

Standalone permit administration

- Permit submission + correction handling · inspection coordination · status tracking
- For when you just need the permits pulled and run — not a full Project Setup engagement

4

BUILD IT

Get it built.

Active Oversight — Project Management tier

from \$6,500

Flat per project: Light \$6,500 / Standard \$12,500 / Heavy \$19,500 / Complex \$28,500

- We coordinate **labor, materials logistics, inspections, and draws**
- Progress + budget + schedule tracking · written change log · weekly reports · issue escalation

Project management / coordination. QA is NOT included at this tier (that's Owner-Controlled Build / Full GC).

Owner-Controlled Build

from \$5,000 + 4%/mo

Engagement \$5–15k + 4% of budget/mo during construction

- Permits pulled under Southern Cities' license · GC oversight + authority structure
- AHJ inspection coordination · compliance · execution-control · budget visibility · field validation — you keep daily control

Full-Service General Contracting

Scoped

Cost-Plus a Fixed Fee (preferred) or GMP · no minimum size

- The entire build: planning, permits, sub management, procurement, scheduling, site supervision, budget admin, draws, inspections, QC, delivery, punch list, warranty
- Single point of accountability

Draw Management

\$599 one-time

Manage ALL draws for a project

- We run every draw · inspection photos as required (*separate fee*)
- We submit draws for you (can take your logins) · we collect all receipts + proof of payment
